

Hong Kong Society of Endocrinology, Metabolism and Reproduction

First Announcement of 2016 Annual Scientific Meeting & Annual General Meeting

Dear Colleagues,

We are pleased to announce that the Annual Scientific Meeting and Annual General Meeting of the Hong Kong Society of Endocrinology, Metabolism and Reproduction will be held on 20th November 2016 (Sunday) in The Mira Hong Kong.

Every year, the Annual Scientific Meeting not only represents a unique opportunity for the learning and professional development of our colleagues in training but also provides an excellent platform for exchange of ideas and developing collaborations among the clinicians and scientists within the community in Hong Kong. To share our experience in clinical and basic research, you are cordially invited to submit abstract for oral and/or poster presentations for the meeting.

Please be informed that the deadline for abstract submission is 21st September 2016. The forms for abstract submission and registration are attached. Guidelines for abstract preparation are also included for your reference. The electronic copies of these documents are available in the website of HKSEMR (<http://www.endocrine-hk.org/>). Registration form should be sent to hksemr@medionline.com.hk. Abstract submission should be addressed to Dr. Wong Tin Wai or Dr. Philip Chiu by email (tinwister@gmail.com or pchiucn@hku.hk).

To recognize the outstanding research by investigators, certificates and special prizes will be awarded to meritorious presentations (both oral & poster) at the Annual Scientific Meeting. To be eligible for the award, the presenter needs to be a paid-up member of the Society for at least one year.

Your support is essential in maintaining the viability and development of HKSEMR. We look forward to seeing you all at the Annual Scientific Meeting.

Sincerely,

Joanne Lam
Organizing Committee for 2016 Annual Meetings of HKSEMR
